Mommies who are *Sex and the City* fans will like the Mama Mio Emergency Repair Kit, \$130 at [mamamio.com](http://mamamio.com). Snarky marketing copy and pretty packaging are top draws in this kit combining Tummy Toner (to improve the appearance of over-stretched skin) and Shrink to Fit serum cream (to reduce the appearance of cellulite and increase firmness). Active ingredients include papaya enzymes and hyaluronic acid in Tummy Toner and Adiposlim, Adipoless and caffeine in Shrink to Fit Cream.
